Eastern Suburbs Memorial Park

For decades, Eastern Suburbs Memorial Park has been serving Sydney with a range of high quality burials, ashes and memorialisations.

With world-class facilities that meet the diverse needs of the local community, the Park has become the first choice for services that celebrate and commemorate a loved one's life.

Eastern Suburbs Memorial Park offers two elegant Art Deco Chapels, surrounded by beautiful gardens and overlooking the historical Botany Bay.

Our Chapels

Choose from two classic Art Deco Chapels, each embracing warmth through neutral tones and complemented with elegant stained windows. Each chapel provides the latest digital and AV technology to ensure great scope for services. Ample parking and comfort facilities are also provided.

South Chapel

Calm and peaceful, the Chapel is an attractive place for a memorial service, with capacity for around 100 people. A wide screen monitor also caters for additional family and friends outside, as well as an internal columbarium providing an extra seating option. The Chapel offers digital and audio visual facilities to celebrate and remember a loved one's life. For those who cannot attend, our Chapels also offer webcasting so they may share in the service.

and beautiful way
to say goodbye*

West Chapel

Graceful and intimate, our West Chapel has capacity for around 60 people. Like the South Chapel, it offers AV technology to enable everything from music to visual presentations and other opportunities for family and friends to remember their loved one. Webcasting is also available for those who cannot attend. The West Chapel provides an elegant, peaceful atmosphere, with places for people to gather under the pergola or the gardens after the service.
