## Children's Memorialisation

At Eastern Suburbs Memorial Park, we are dedicated to helping you choose the best way to remember your child's young life and giving you a special place to express your love.

Our unique children's gardens, Garden of Innocence, Garden of Loving Memories and Dragonfly Garden, have been created to give comfort and provide a sense of serenity and loving warmth. Colourful blooms and animals greet visitors. The joyous spirit of childhood and youth is preserved forever.

*A peaceful place  
where families may come,  
reflect and rejoice  
in a treasured life*

# Garden of Innocence

Our 'Garden of Innocence', welcomes you with embracing arms. Pretty annuals brighten carefully tended garden borders. Hedges of rosemary scent the air, while olive trees offer an ancient sign of hope.

In one corner, a large, friendly giraffe on Noah's Ark stands tall, looking over the children and bearing a message of hope and love in life's storms. In another, a stone bench is flanked by two teddy bears.

The focal point is a large stone **Butterfly Niche Wall** where you can engrave your child's name to remember forever.

## Aidan's Legacy

Aidan's Legacy is a program which ensures the proceeds of a unique recycling initiative are directed to the families of children lost pre-term, stillborn or up to and including 17 years of age. Aidan's Legacy provides for the costs of cremation and associated chapel services, or receive a \$500 subsidy towards the cost of a burial. This legacy of love assists families at the most difficult time imaginable.

# Children's Gardens

Our Garden of Loving Memories provides ash interment, a place to remember your dear loved ones, within and along the borders of the garden.

Further down the slope, near the tranquil beauty of Centenary Park where a small stream chatters to a placid lily pond, is our Dragonfly Garden. There you'll find the sweet **Petaltails and Tigertails Stone Book Memorials** with spaces to engrave your child's name and details.

If you wish, you're also free to place your loved child among family within your own plot in our general areas.

Even if they were with you for just a moment, there's a lifetime of love to give. At Eastern Suburbs Memorial Park, we hope you find a little corner to cherish your precious memories forever.

## Pregnancy & Infant Loss Remembrance Day

Please join us on October 15 – A special day for remembering lives taken too soon. October 15 is officially recognised in New South Wales as the date for the Annual Pregnancy & Infant Loss Remembrance Day. Each year, on this day, a moving candlelight service is held in the Garden of Innocence. The ceremony offers a chance for grief to be shared and a burden to be unloaded in a reflective and healing atmosphere.

*Cherish your memories in a place of innocence and love*
